Sometimes I have low expectations. And I certainly had low expectations for the Youth Leadership Workshop that took place last Sunday afternoon. Reverend Nicole Havelka, Associate Minister for Youth and Young Adults, came to Zion and led an afternoon of empowering one’s church for youth ministry.

I expected very little.

Not because Nicole isn’t a dynamic speaker and excellent minister, but because I just thought we were not that fired up for youth. And as everyone knows, it demands a lot of energy and effort to maintain the momentum in a youth group in this secular culture. I guess I just thought “what can Nicole tell us that we don’t already know?” And to lower my expectations even more, the day before the workshop, only 2 people had said they were definitely going to attend.

My low expectations couldn’t have been more wrong.

Nicole brought a fresh perspective into the topic, challenged us to think about our own beliefs about youth, did away with some useless stereotypes, and energized everyone (even me). And to make things even more wonderful—15 people came to the workshop. Out of the afternoon session arose some refreshing ideas about the needs of today’s youth in the church (as opposed to the older model of youth group that we are all used to), and two individuals voiced a desire to take on the role of directing and facilitating volunteers concerning youth. Everyone in the room seemed ready and willing to pitch in to make Zion a place of vibrant youth participation. Maybe it’s time for me to give up my low expectation.....
But maybe it is not surprising that I had low expectations. Our culture has learned to expect little from the Church and perhaps we are reaping the results of expecting the least. (When I say “the Church” I mean mainline Protestantism, not just Zion). Many would say that we have seen a rise in apathy about religion, a decline in church attendance, a loss of solid leadership at the local and national levels. And with a shaky economy, there is less money in the churches. We look around our world wondering about the future of the Church. And we lower our expectations. We expect fewer people in worship. We expect decreased giving. We expect declining membership. And unfortunately this lack of expectation can lead to two things: acceptance without resistance, and the inability to see when things are actually improved.

Sometimes I hear members at Zion talk about the church as if it were in decline. My response is both surprise and frustration. I want to say “look around you. What is in decline?” We have slightly more people in worship than 10 years ago (last Sunday we had 102 in attendance), we have a solid financial status, effective programming, mission and outreach, lots of new members, energy, love, humor, extravagant welcome, and people who know how to have fun. Decline? Where? Maybe we just need to set our expectations higher.

Is there an area at Zion where you have low expectations? Is there some aspect of Zion that you find yourself expecting little? Sometimes low expectations are an indicator of a place that needs work or an input of energy. I had low expectations for our youth program. So we brought in someone from outside of our community who inspired us, gave us fresh ideas, and empowered us. And now our youth program has a new energy and a future.

Share with me your low expectations. I’d love to tackle them with you.

See You in the Pews!

Silver Seniors Victorian Tea
Thursday, August 4
2:00 – 4:00 p.m.

All senior adults are invited to this afternoon tea in the church fellowship hall. The room will be beautifully decorated, and you’ll be able to listen to lovely background music while you enjoy finger sandwiches, scones, and desserts.

This will be a somewhat formal affair, so please dress up (gloves and hat for the ladies, jacket and tie for the gentlemen) if possible.

Our chauffeurs will be available to provide transportation for you from your home or care center. Please call the church at 752-2305 if you still need to make your reservation.

This promises to be a delightful afternoon, and we thank Judy Taylor for planning and directing the entire event.

Zion’s garage sale will take place on Friday, August 12, from 8:00 a.m. to 2:00 p.m. in the church basement.

Volunteers may begin organizing and pricing items at any time. Final set-up days will be on Wednesday, August 10, and Thursday, August 11.

Everyone – please look through your houses and garages and see what you have that you could donate. Items should be put in the youth room. No clothes, please. It’s a great time to get the church and your houses cleaned out.

There is no chair person for the garage sale committee so all those who signed up to help with it can begin to work on it as they find the time. It will be a more organized effort the week of the sale. Thank you for making this happen!

Bearing Good Fruits

When school is in session there is a church service on Sunday mornings for the boarding students. About once a month or so students lead the service and this month our Scripture Union group led the order of worship and hymn-singing, offered prayers, read the scripture, received the offering, and shared a message during the sermon time.

The scripture the students chose was the story of the birth of Jesus in Matthew 1:18-25. Mphonyana and Bokang both spoke on these verses. Their names are quite appropriate for the text as they mean “Small Gift” and “Praise! Give thanks!” respectively. As God was with both Joseph and Mary during their difficult time, so God is with us even today in the problems we face.

Mphonyana, in particular, could testify to this as she was hospitalized after falling and suffering burns from hot water she was carrying. She has made a full recovery and although small in stature, she has a big heart for Jesus!

Later that afternoon our SU meeting was blessed by the presence of Mr. Waza. Ntate Waza is the high school coordinator for Scripture Union in Lesotho and he was spending a week visiting schools in the southern part of the country. He organized and led the SU Camp in December and is greatly loved by the SU kids. The group members were delighted to see him again and he will be leading a training session here for student leaders at the end of the month. He has borne much fruit through his labors in reaching out to the young people of Lesotho.

Jesus says in the remaining words of John 15:8 that by bearing fruit you will be “showing yourselves to be my disciples.” While telling others we are disciples is well and good, I’m always mindful of that old adage, “Actions speak louder than words.” Even better, we could remember that old grade school tradition of “Show and Tell”!

Mark Behle is a missionary with the Lesotho Evangelical Church. He is a mathematics teacher at Masitise High School, Lesotho, Africa.
